ADMINISTRATION

SEATED: Robert T. Geggie, Robert Galyon, T. W. Wissore, and Ray H. Collins. STANDING: Al Ostergaard, W. F. Friedrichs, Robert Stanton, and Morgan Selvidge.

In the past year our school district has become the Rockwood R-6 District.

Our high school has had several improvements this year. The library was completely remodeled over the summer. We have new shelves, new tables, and wall to wall carpeting, and draperies. The restrooms have been improved. The driveway was blacktopped. The cafeteria now provides a sandwich line and a plate lunch.

Our school is only one of the 13 schools in our district all of which have needs. All of this indicates the long hours which these men give to serving Rockwood R-6.

Mr. Collins, a supervisor for Southwestern Bell, is the Board secretary and has been a Board member since 1962.

Mr. Wissore, the president of the Board of Education, is a supervisor at McDonnel aircraft and was elected to the Board in 1962.

Mr. Friedrichs, a Board member since 1963, is a pharmacist and owner of Shroeder Drug Store in Ballwin.

Mr. Geggie, who has been on the Board of Education since before 1949 when the district was reorganized, is a retired farmer.

Mr. Galyon, a brick contractor, is vice-president of the Board and has been a member since 1962.

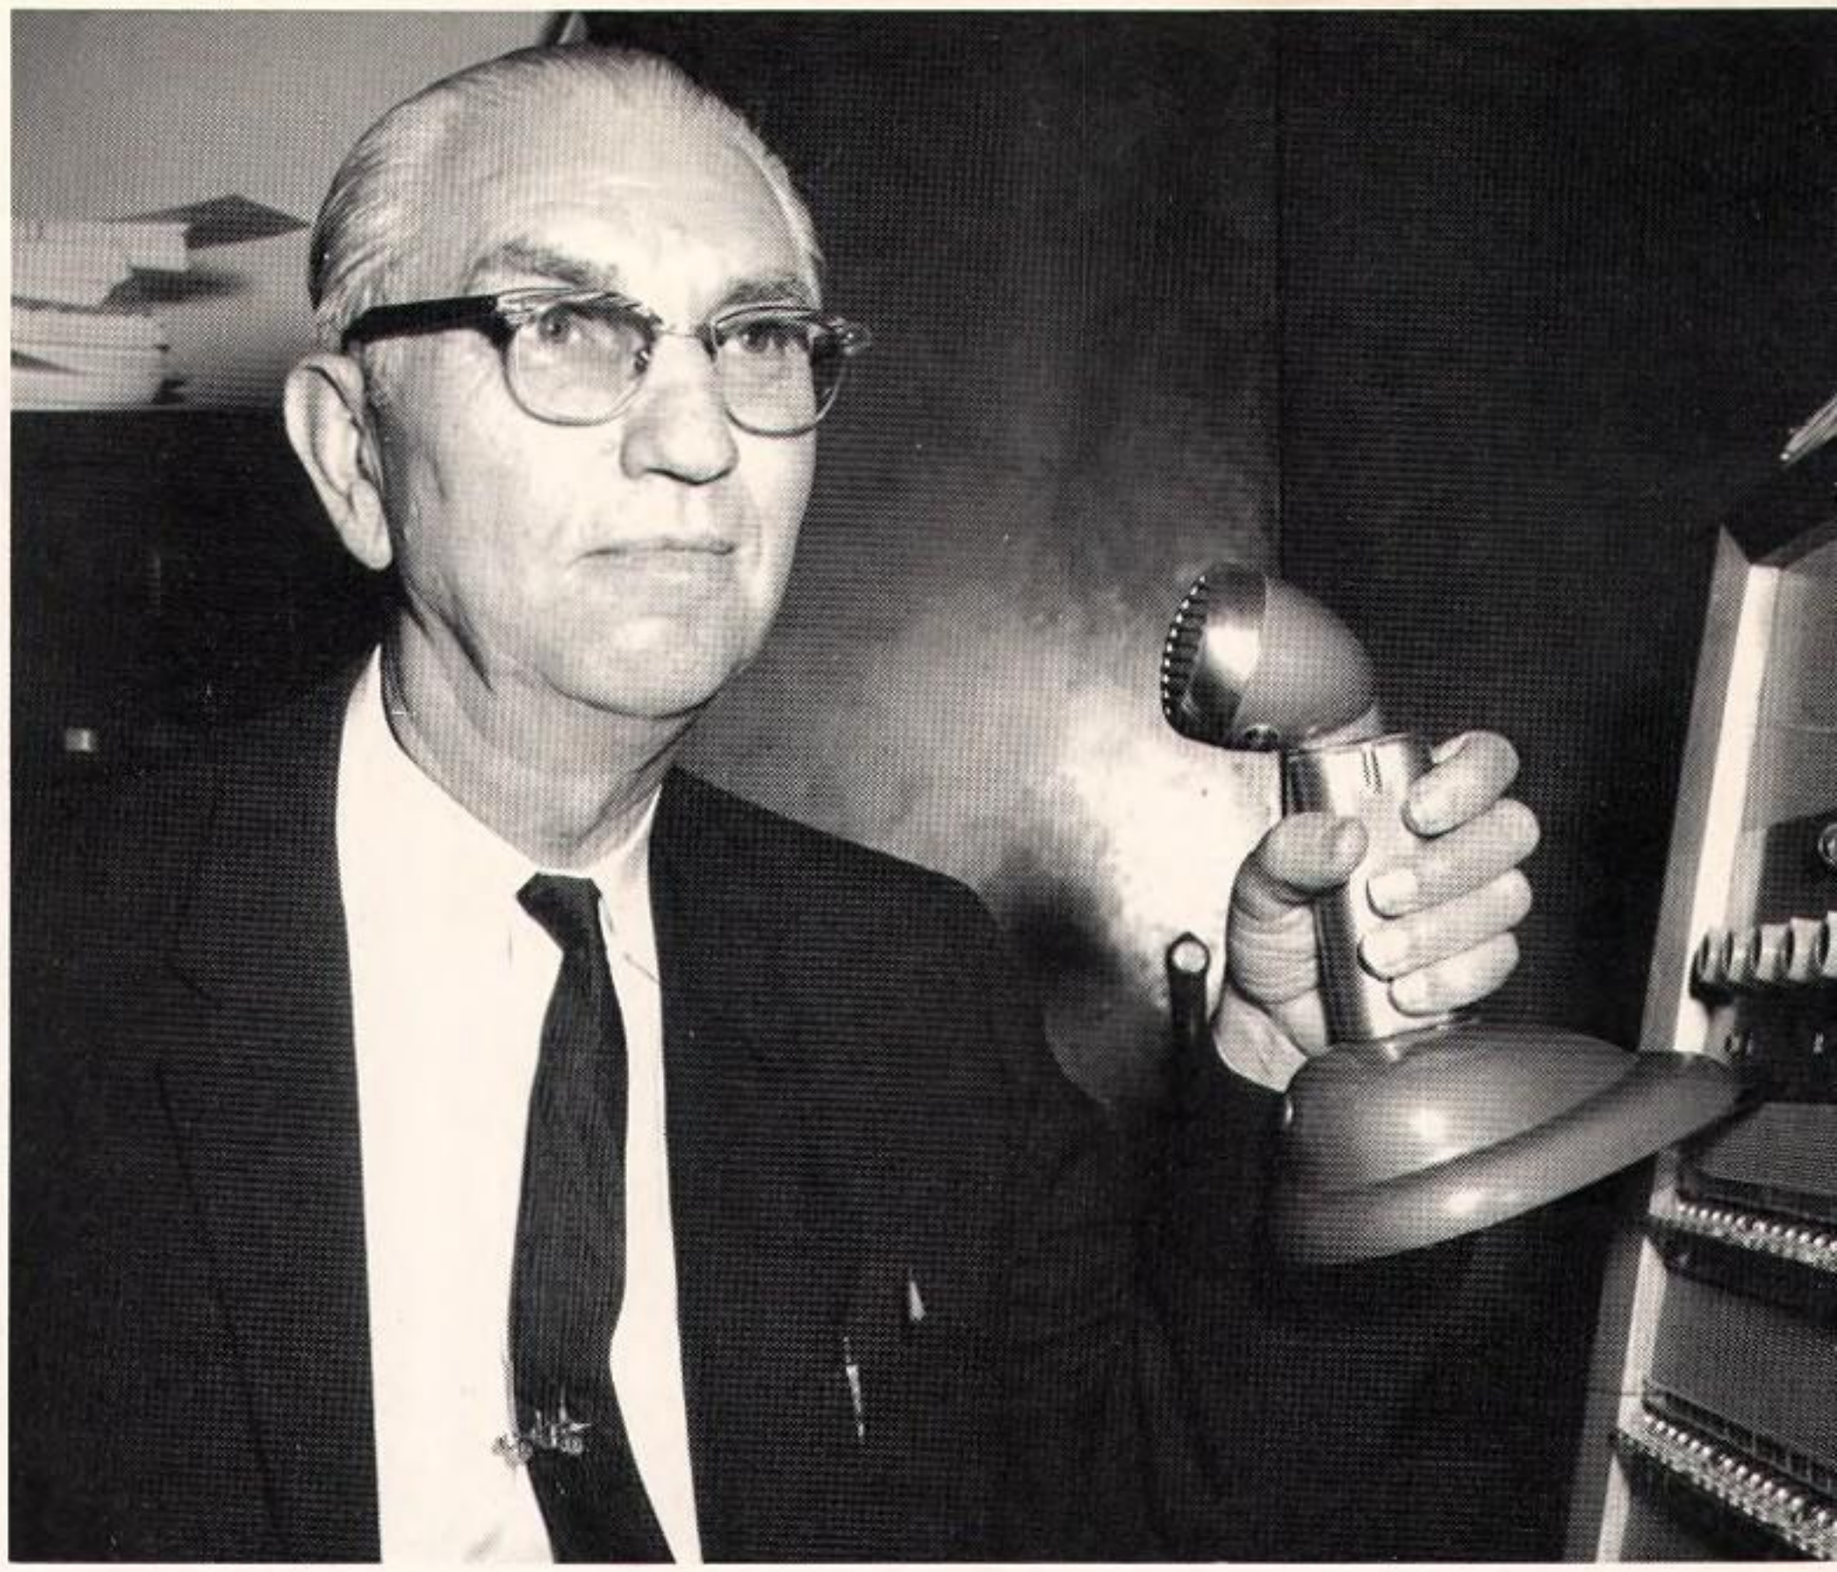
Mr. Ostergaard, recently elected, is a teacher of Industrial Arts at Ritenour Senior High School.

Mr. Selvidge is completing his 22nd year of administration for Rockwood R-6 District.

Mr. Stanton, administrative assistant, has been a member of the administrative staff for 15 years.

Not pictured is Doctor Fred Creason, business administrator for 3 years.

Mr. Jones is completing his seventeenth year as principal of Eureka High School. He holds a Master's Degree in secondary administration from the University of Missouri.



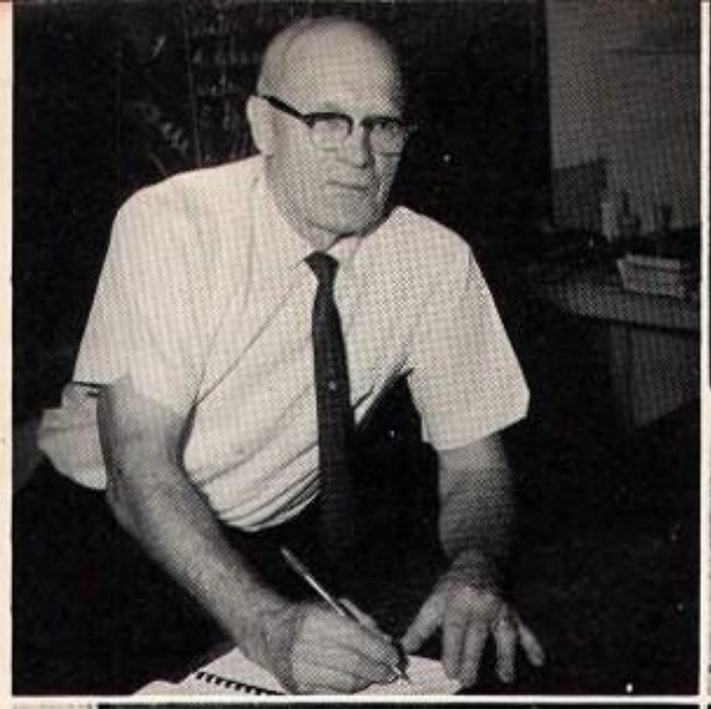
Mr. J. Varnum Jones, Principal

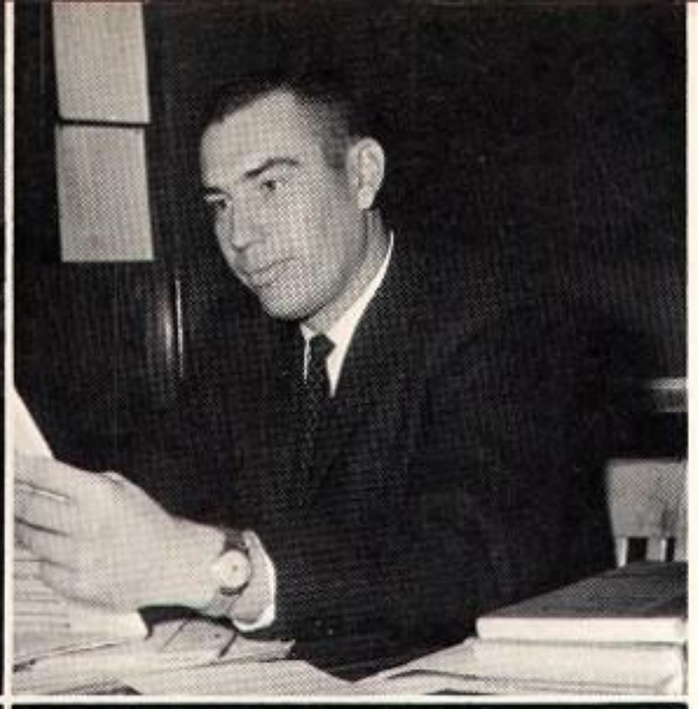
J. Varnum Jones

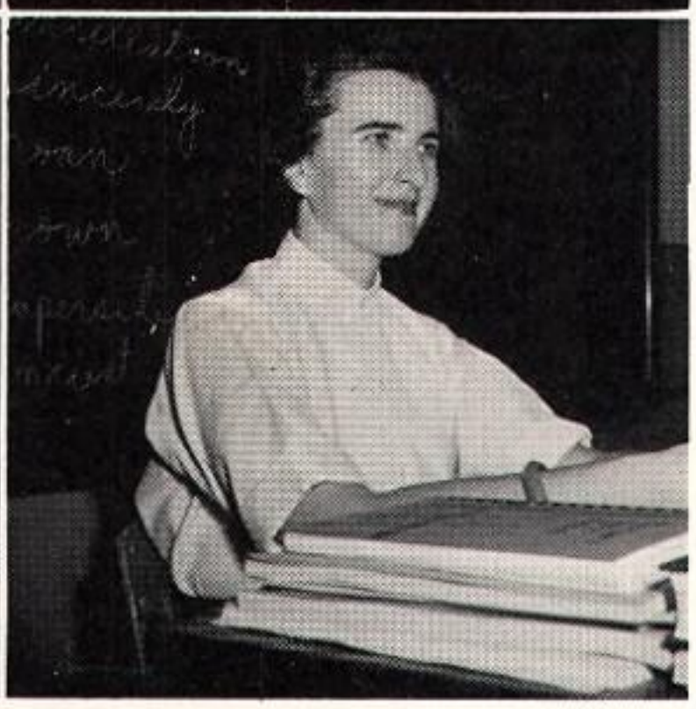
Mrs. Roberta Larson, Secretary to the principal.

Mrs. Wilma Linz, Secretary to the guidance office.

Mrs. Larson and Mrs. Linz, our secretaries, find their duties range from the usual secretarial duties to solving almost any high school problem.







Ben W. Buddemeyer
Nelson Cavender
Jack Day

Dan Capehart
Don David
Jeanne DuLany

Mr. Buddemeyer, who teaches science and algebra, received his Master's degree from Missouri University.

In his third year at EHS, Mr. Capehart coaches football, "B" basketball and baseball. Besides that he teaches driver education. He received his B.A. degree from Northeastern State College in Oklahoma.

Mr. Cavender, one of our social studies teachers, is new to our high school this year but not to EHS students, because he taught at Eureka Junior High. He received his B.S. degree from Central Missouri State College.

Three years as basketball and track coach have endeared Mr. David to all students. Mr. David, who teaches boys' physical education, received his Master's degree from Central Missouri State.

Have a problem? Need to talk to someone?--then see Mr. Day, EHS guidance counselor. Mr. Day has his Master's degree from Missouri University.

Miss DuLany introduces the freshmen to English. Miss DuLany received her B.A. degree from Lindenwood College.

Mrs. DuLany, a newcomer to EHS, supervises study halls in the afternoon. She has been a home economist for Union Electric. She too received her degree from Lindenwood.

Biology and chemistry are taught by Mrs. Eisenhauer, who each spring helps students with Science fair entries. She received her B.S. degree from Chicago U.

Members of the football team and those who attended games became familiar with Mr. Meister, assistant football coach. Mr. Meister also received his degree from Southwest Missouri State.

Although this is only his second year on the high school faculty, displays of student work prove Mr. Moss's outstanding ability in Industrial Arts. His degree is from Lincoln University.

Freshmen learn the fundamentals of government in citizenship, and upperclassmen explore the realms of the human mind in psychology under the guidance of Mr. Giebler, who has his B.S. degree from Southeast Missouri State.

Band, choir, glee clubs, orchestra, and small vocal groups are all under the direction of Miss Harttman who received her Master's from Washington University.

A clicking of typewriters and ringing of bells are sounds familiar to the typing classes and the future secretaries who learn under the guidance of Mrs. Gudermuth (not pictured). Mrs. Gudermuth received her degree from Southwest Missouri State.

With a degree from the same school is Mr. Hyde, who teaches American history and geography.

English III is only a part of Miss Johnson's program. The class plays attest to her fine ability in casting and directing. Miss Johnson is a graduate of Drury College.

All girls become better conditioned as they follow the routines in P.E. under Mrs. Kenning, who also teaches health. Her degree is from Texas Western College.

Mr. McDonald received his M.A. last summer from Central Missouri State, and students in his commerce classes are aware of his broad knowledge.

Mr. Peterson, one of our new science teachers received his preparation for teaching at Evangel College and Missouri University.

Practical aspects of geometric figures are displayed each year on the Christmas tree in Miss Pierce's room. In addition to math classes Miss Pierce sponsors National Honor Society. Her Master's degree was granted by Missouri University.

Mrs. Ritter added citizenship to her usual program of English II this year. She received her M.A. from Missouri Valley College. This year Mrs. Ritter is president of the Rockwood CTA.

Supervising the student teachers from the University of Missouri is one of the many ways of evaluating Mrs. Shanight's ability in the home economics field. Family living class this year gives boys an opportunity for her direction too. Mrs. Shanight's M.S. is from Stout University, Wisconsin.

Pottery, lettering, chalk drawing, and oil painting are but a few of the aspects of art taught by Miss Smith, who received her M.S. from Missouri University.

Mrs. Stenerson is enjoying the pleasant library atmosphere for helping students. She also teaches the publications class. Her B.A. is from St. Olaf College.

Senior literature and English II are not dissimilar, but shifting from French to Latin in her thinking requires Miss Williams to be "on her toes." Her degree is an M.A. from Washington University.

Mr. Young joined the faculty last year as a teacher of math. His degree from St. Louis University provides the background for practical and interesting math classes.

SUMMER WAS OVER

Reluctantly we came back to school realizing that this was our last year at EHS . . . We were soon caught up in the whirl of senior activities . . . A long wait was over, our rings finally arrived, we were officially seniors . . . Class officers and student council members were elected to govern our class . . . The Indian summer days were made to order for football . . . Although the Wildcats were not always victorious, we cheered them on enthusiastically . . . The All-School Party opened the social whirl and gave us a chance to get acquainted with our fellow students . . . brought many resolutions to Eureka . . . After Christmas we returned unwillingly to our studies . . . There were more basketball games . . . A bonfire and sock hop made the Homecoming a memorable experience . . . Cold weather could not keep the FHA'ers and their dates from attending their annual party . . . The semester end brought dreaded exams . . . We began to buckle down as we realized one-half of our senior year was behind us . . . Valentine's Day arrived setting the mood for an FNA party . . . As the weather grew colder, we waited expectantly for snow which meant a vacation from school . . . A holiday finally arrived as we celebrated Washington's birthday . . . WE ENTERED

our last two months at Eureka as graduation crept closer . . . The long anticipated Junior-Senior Prom finally arrived . . . Dressed in formals and tux we attended the final social event of our high school years . . . We enjoyed these last moments to the fullest, knowing that they would soon be memories . . . As the big day drew near, we studied for final exams and practiced walking to the solemn strains of "Pomp and Circumstance" . . . The reading of the Will climaxed the senior assembly in which special awards were also presented to some of us . . . Our senior picnic, lighthearted on the surface, made us all somewhat saddened as we realized this would be one of the last times all of us would be together . . . Baccalaureate changed the mood to the more serious side . . . Then the moment that we had waited for with mixed emotions arrived--graduation . . . These were the unforgettable moments . . .

At long last, we juniors have reached the ranks of the upperclassmen. This was accomplished, of course, through much diligent study and hard work.

The year held many moments of distinction for our class. The first of these was the very successful junior play, "Let Me Grow Up." Later on in the year we battled the seniors in the traditional junior-senior basketball game. As is the custom, the junior-senior prom, held in the spring, is entirely in the hands of the juniors. We think that we presented the seniors with one of the prettiest and most enjoyable dances they had ever had. It was fun for us, too.

With the ordering of senior rings, our thoughts turn to next year. We wonder what will be in store for us as the 1956-66 seniors of Eureka High.

Being a little more confident and a little better versed on the ways of the school, we sophomores commenced the "half-way" mark in high school.

The year began with the election of class officers. Robert Lewis was elected president; Dan Edmiston, vice-president; and Diana Bice, secretary-treasurer.

County government day proved to be an exciting and rewarding experience for those students elected to county offices.

An interesting day was spent at Jefferson City by the sophomore best citizen, who was chosen in the spring of the year.

Miss Pierce, Mr. David, Miss Harttman, Miss Williams, and Mr. Young were sponsors for our class.

FRESHMEN PARTICIPATE

As we first entered the halls of Eureka, we Freshmen were scared, wary, students; but we soon found Eureka a warm, inviting place. We found Eureka more than a building--it was a home. Our first frightening expectations melted into dreams of happy, busy years to come.

To lead us through our first unsure months we chose Jane Piel as our president, Larry Hammerschmidt as vice-president, and Bill Delmain as secretary of our class.

Our sponsors: Mr. Buddemeyer, Mrs. Gudermuth, Mr. Hyde, Miss Johnson, and Mr. Peterson, were always ready to guide us along the way.

Now that the year has drawn to a close, the past days are memories--the future days are dreams. We go forward--stars have begun to shine in our eyes--we are slowly proceeding to our senior days--to graduation--to life.

CLASS OFFICERS: Jane Piel, president; Larry Hammerschmidt, vice-president; not pictured Bill Delmain, secretary.

F.H.A. ACTIVITIES VARIED

The future Homemakers of America is one of the very active clubs at our school. The meetings are scheduled for the third Wednesday of each month. A get acquainted picnic was given at the beginning of the year and a farewell picnic was held in May. Many of the members attended the regional meeting held at Desloge, Missouri. At Christmas and Thanksgiving the members thought of others by preparing food baskets and giving gifts to children. Several girls compiled a buzz book which has the name, address, and telephone number of each student and teacher in Eureka Junior-Senior High. The most exciting time of the year was the Mardi Gras party.

F.N.A. CONTRIBUTES TO COMMUNITY

The Future Nurses, in their second year of organization, enjoyed a very active schedule. This schedule included visiting several hospitals such as Deaconess and St. Luke's. The members also visited St. Joseph's Hill Infirmary where they met some of the patients and talked with them. The Future Nurses went caroling for the cancer drive during Christmas week.

A very educational year as a future nurse was climaxed at the Future Nurses Tea in May when Mrs. Jensen, the sponsor, presented the girls with their F.N.A. pins, which they had been working hard to earn during the year.

OFFICERS: Barbara Martin, president; Barbara Willett, historian; Doris Pemberton, secretary-treasurer; and Mary Lou Votaw, vice-president.

To some of us who were planning on college or teaching careers, F.T.A. became an important activity. It provided us with encouragement and knowledge and enabled us to make preparations for the future. There were many guest speakers and group discussions, educational trips and group activities. Our meetings were held the first Wednesday of each month; they were filled with learning, discussing and planning. Miss DuLany sponsored our group.

The Girls' Athletic Association, in its second consecutive year at Eureka, enjoyed an active schedule for 1964-1965. Its purpose is to instill within its members a varied interest in sports.

At the end of the year, the girls are presented with awards if they have acquired a sufficient number of points gained by attending meetings, school basketbalo and football games, participating in sports or viewing other athletic activities.

Attending a professional hockey game at the Kiel Auditorium began the schedule of outside events for GAA. A number of activities followed, and the members showed a good deal of enthusiasm for their organization.

NHS HONORS ACHIEVEMENT

National Honor Society, an organization for outstanding students, is in its 15th year at Eureka High School. The members are chosen by the faculty from the top fifteen percent of the junior and senior classes. Membership in the Society is based on the four qualities: character, scholarship, leadership, and service. Miss Ethel Pierce is the group's sponsor.

NHS began the school year with six senior members, who had been elected the previous year. In October four more seniors were elected to the group. In April more seniors and juniors were chosen by the faculty.

Two initiations, one in the fall and one in the spring, and the 12th Annual Christmas Reunion Banquet, held on December 28, were the highlights of this year's activities for the National Honor Society.

This year's pep club had an active year. The pep club supported the varsity and junior varsity football and basketball teams very enthusiastically through all of their games. The many pep club members greatly help increase school spirit and make the games more fun.

A new constitution was written and adopted by the members. Booster pins were sold to create more spirit. The pins were in the school colors, purple and gold, and they read, "I'm for the Wildcats all the way."

STUDENT COUNCIL

Student council is the medium for student-teacher relationship at Eureka High School. Each homeroom chooses one student representative for the council during the fall. Student council officers are elected by the student body the previous spring.

Among council activities, is the sponsorship of two school parties. The all-school party, held in autumn, is provided as a general mixer for all students that they might have a chance to get acquainted. The second party is the All Sports Prom. This prom is held in honor of the five major sports participated in by Eureka High. Student council also organizes the annual homecoming.

Various members of the council regularly attend SASC meetings with one of the sponsors.

CHOIR AND ORCHESTRA

The Eureka High School choir, directed by Miss Harttman, is a very busy group. Throughout the year, they have performed for various assemblies, in the vesper program, in the operetta --Brigadoon, and in the St. Louis Area Music Festival which takes place in the spring.

Choir meets everyday as a class, and the students who take it five days a week receive a full credit for it.

The Madrigal, an extracurricular singing group, meets every Tuesday after school. They sing at assemblies, the vespers and in the spring music festival.

Even though orchestra meets only once a week, they perform on numerous occasions. An assembly and a CTA appearance started the year off for orchestra. They accompanied BRIGADOON, this year's operetta, and attended the St. Louis Area Music Festival in the spring of the year.

Orchestra students receive one fourth credit if sufficient outside practice is recorded.

The first public performance of band took place at the student council assembly in October. Band, numbering seventy members, marched its way through the streets of Cape Girardeau during the Cape Girardeau Homecoming, October 31. Rallying the crowd, the band again performed, this time at a football game. Later, basketball games were embellished with the lively numbers included in the repertoire of Eureka High's band. In the spring, the annual concert was given.

BRIGADOON was presented to an enthusiastic audience on March 18. The operetta tells the story of the happenings in a fairytale town in Scotland in a combination of comedy, romance, and tragedy.

The music department, under the direction of Miss Harttman, spent many weeks in preparation for BRIGADOON; they did a wonderful job of singing, acting, and staging.

The annual vesper program, given by the music department, was presented to large audiences on the ninth and tenth of December. This year's program, beautifully directed by Miss Harttman, consisted of strictly religious music--the carols were both traditional and modern. Several solos from both choir and glee club were included to vary the program.

The tableaux, which Miss Williams designed and painted were, as always, very inspiring and breath-taking. The final scene portrayed a "living" Christmas tree, made up of the choir members. They then sang traditional carols in which the audience was invited to join.

PARTIES PROVIDE CHANGE OF PACE

Students enjoy both slow and fast dances at the All School Party.

Eureka High students enjoyed two informal dances this year sponsored by the Student Council. The first was the All School Party held in the fall. Besides dancing, darts and movies were provided. This party, as always, was well attended by both the lower and upper classmen.

The second dance was a sock hop following the basketball homecoming. Everyone shed their shoes and danced on the gym floor. The sports prom maids were presented during the hop.

Quiet conversation was preferred by many.

The Homecoming Sock Hop proved to be a success.

Costumes, pages, and pinatas each added a touch to the annual F.H.A. party in its Mardi Gras setting on Saturday night February 20.

Ann Jones was crowned queen of the ball. Maids were Jan Beckmeyer, Judy Branson, Barbara Martin, Shirley Schenks.

A grand march allowed the costumes to be viewed and judged for originality, funniest, and the most harmonizing couple.

MUSIC SWINGS ON A WINTER'S NIGHT

"Once Upon a Winter's Night," the theme for the Music Party was carried out well by both the decoration committee and the weather. It was cold and snowy. Madeline Rutz and Mike Manuel were chosen king and queen for the 1964-65 music year.

A few had fun with the table decorations.

The first annual All-Sports Prom was held this year on March 6. Five maids were chosen to represent our five major sports. The girls were Betty Becker, maid of track; Judy Branson, maid of basketball; Carol Musgrave, maid of baseball; Brenda Stewart, maid of football; and the radiant queen, Sonja Springman, golf representative.

The couples attending danced to the music provided by the 'Stardusters'.

COWBOYS BATTLE INDIANS

The crowd watched in anxious anticipation as the seconds ticked away.

It's anybody's ball.

In the traditional Jr.-Sr. game held on Wednesday March 3, the Junior Indians defeated the Senior Cowboys. The score was tied throughout the whole game, but the Juniors made a mighty two points winning the game by the score of 53-51.

Come on fellows, over here.

In the second year of football at Eureka High, the Wildcats had another successful season. This year they played seven games, three more than last year; and some of their opponents were varsity teams. The coaches and all the boys who participated in the games deserve credit for making this American sport come to life at Eureka. Through all the games the boys played in a very fair, sportsmanlike manner--showing that it mattered just as much how you played the games as whether you won or lost.

Many people attended the games whether at home or away. This year bleachers were provided for the home games, but some people still chose to bring their own chairs and blankets to sit on and enjoy the games and the sunshine that prevailed during the season.

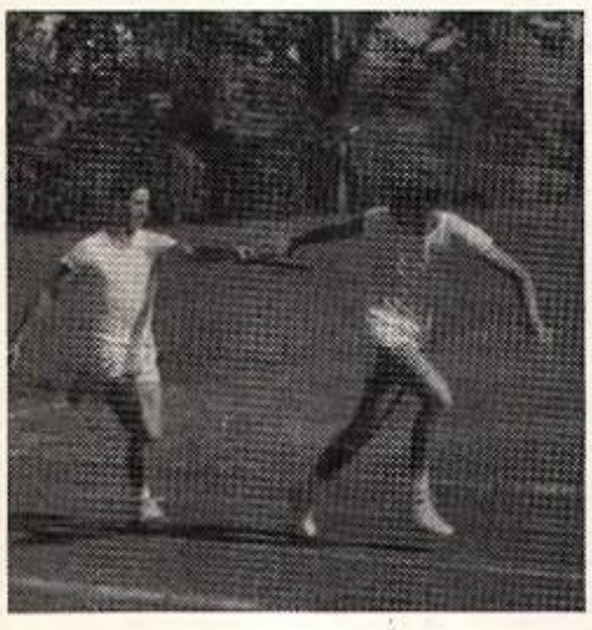
SPRING SPORTS



Don't Drop it!

Since the annual will be published before the track team begins its activities for 1965, something will be said about last year's record breaking events.

Joe Fruge broke the record for the junior division in discus throwing, and Eddie Brown tied the record for the 100-yard-dash with 10.6 seconds.

Early in this school year four members of the track team, Larry Bennett, Danny Branscum, Dick Johnson, and Gary Sutter assisted in carrying the Olympic torch through Eureka on its way across country.

The cheerleaders for the 1964-1965 football and basketball seasons were elected in the spring of 1964 after trying out before the faculty and student body. Before the beginning of school, these girls attended a cheerleading clinic at Hazelwood High School where they learned some new cheers and how to help raise school spirit.

Through both the football and basketball season, the cheerleaders led the students in enthusiastic cheering for the Wildcats. At the awards assembly, Betty, Brenda, Linda, Lillian, and Shirley were given a necklace with a small megaphone on it; and Sonja and Carol were given chevrons, since this was their second year as cheerleaders.

Mrs. Dolores Branson, Mrs. Hilda Smith, manager, Mrs. Emilie Gudermuth, Mrs. Annie Pullen, Mrs. Marie Huskey, Mrs. Blanche Donovan, and Mrs. Marine Harness.

Whether we realize it or not we owe many thanks to the cooks of Eureka Junior-Senior High School who prepare hot lunches for us every day. Not only do they serve us lunches, but they also prepare lunches for Eureka Elementary.

Mrs. Harness, pictured with the staff, works with all ten schools in the district planning the menus and doing the purchasing for the cafeterias.

Mrs. Jenson, Nurse.

Mrs. Jenson, our school nurse, is a very busy and much appreciated member of the Eureka Junior-Senior High staff. She also serves as nurse for other schools in our district. Mrs. Jenson works at Eureka on Tuesday and Friday ready to help if someone is hurt or becomes ill. She also sponsors the Future Nurses of America club for those girls who are interested in becoming nurses.

OF OUR SCHOOL

Bus drivers: Harold Schmiedeke, Toby Whitaker and Clinton Jerome.

The bus drivers are another indispensable part of the staff at Eureka. They have to get up very early in the morning in order to transport all the students of Rockwood to their various schools.

They also drive us to away football and basketball games and other extra-curricular activities. Their safe driving record proves that we are in good hands when riding in their buses.

How could we ever do without the custodians at Eureka? No matter what the time of day they are always ready to help with whatever you're doing--from decorating for a party to hanging curtains.

And their day doesn't end when the 3:15 bell rings either. Then they begin the big job of cleaning up after us.

Custodians: Betty Ramano, Lester McMullin, John Smith and Isodore Blechle.

We eighth graders came back to junior high full of expectations for this our last year at Eureka Junior High School.

Our classes this year were a little heavier, and our responsibilities were greater, too. We became leaders in school government as student council members and class officers. And there were more activities for us this year. Some of us edited the EUREKA CRIER, our school newspaper. There were, of course, basketball games to cheer at and parties to attend.

As we received our diplomas in June, we looked forward to our next September and our four years at EHS.

We seventh graders came to Eureka Junior High from two schools, Eureka Elementary and Vandover School. Consequently, last September new friendships were made, and old friendships were renewed.

Our lives became more complicated as we entered junior high. Schedules were more rigid as we moved from class to class--and the locks on our lockers certainly didn't help matters.

But there were happier moments, too. Assemblies, programs presented at night, basketball games with other schools, and dress-up parties became a part of our teenage life.

The band meets every day under the direction of Mr. Kenneth Bodart.

Public appearances included a part in the "Happy Holidays" program, half-time entertainment at junior high basketball games, and the spring concert, the combined Elementary and Junior High Band Instrumental. The band also performs at assemblies.

There is much added activity for the band when spring rolls around. They participate in the Music and Ensemble festivals along with most of the county schools. The final performance of the year is the graduation exercises.

This year as a special project the band sold candy before Christmas to raise money for its fund.

IMPORTANT ROLE IN OUR SCHOOL

The orchestra meets every day under the direction of Miss Marie Harttman.

Public appearances for the year include a part in the spring concert, a musical presented every year by all phases of the junior high music department. The orchestra played for assemblies during the school year.

The orchestra, like the band, takes part in the Music and Ensemble festival in the Spring. These added activities provide entertainment as well as learning for orchestra members.

HAPPY HOLIDAYS PRESENTED

"Happy Holiday" was the name chosen for the Christmas program which the band and vocal groups presented to a large audience December 7.

Patriotic songs, old favorites, and Christmas music made up the entirety of the program which was enjoyed by all. Debbie Freeman narrated the entire program providing continuity between selections. The seventh grade sang patriotic songs and the eighth grade sang the Christmas songs. The band contributed in both parts of the program with Christmas selections and marches.

The band members awaited their part of the program.

The audience watches and enjoys the program.

CHEERLEADERS—MAJORETTES PERFORM

STANDING: Linda Runge, Linda Knull.

Cheerleaders for the junior high team provided zest and vigor throughout the entire basketball season. The girls were chosen in the fall after try-outs before the student body.

The junior high school band was adorned with a touch of beauty by its three majorettes, who were selected, also, in the fall so that the incoming seventh graders would have a chance to try out.

Some girls in the junior high have taken home economics this year for the first time. This fall the girls made a garment. For most of the girls this was the first garment they ever made. These girls proudly model their fall garments.

WE ENJOY OUR ACTIVITIES

The library staff keeps the library in tip-top shape.

Students eagerly watch one of many such assemblies.

Boys tool leather belts in shop class.

Home economics proves useful to these girls.

Pulleys and a U.S. map seem to be the subject of the day for these students.

Carol,
I have had a lot of fun
together through the years.
Remember when we clied on
the bus because next year
we would be leaving and
not go coming back to
this dumb place. And
you have to remember the
fun we've had in Salesmanship,
when we sang Mountain
Dew, and Wild Wild Women.

Carol,

I have enjoyed knowing you all these years. We have had a lot of fun together. Even though I am graduating this year let's not let our friendship drop, let's keep it like it is now. We have had fun in Salesmanship with Mr. McDonald. Remember to eat your wheaties and you to will be cheerful and peppy. Whatever you decide to do after you graduate I'm sure it will be right, and I want to wish you all the luck in the world. Whoever you marry I want to wish you good luck all through your marriage. I know you will always go to church and I'm real glad for you. Maybe someday I will be setting beside you in church. I want you to come and visit me after I'm married. Bill hasn't bitten anyone yet. ha ha I hope I will get to see you years to come. Good luck in the future.
